## Terms:

While we exercise the greatest care to have all seeds pure and reliable, we do not give any warranty, expressed or implied. If the purchaser does not accept the seeds on these terms and conditions, they must be returned at once, and the money that has been paid for same will be refunded.

All claims must be made within 10 days after receipt of goods.

| QUANTITY |                                                                                                                                                                                                                                                                                                                                                          | PRICE |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| .....    | <b>ADONIS.</b> Regular form; rosy-pink laced with deeper rose; poor substance and small size; black seed.....                                                                                                                                                                                                                                            |       |
| .....    | <b>ALBA MAGNIFICA.</b> Semi-expanded form; a good white, of fair substance and medium size; white seed.....                                                                                                                                                                                                                                              |       |
| .....    | <b>AMERICAN BELLE.</b> Large hooded form; shaded rose standard and pale pink wings, spotted freely with bright carmine spots; seed black.....                                                                                                                                                                                                            |       |
| .....    | <b>APPLE BLOSSOM.</b> Large hooded form; standard shaded rosy-pink, becoming lighter at the throat; wings pale pink; of good substance and very large size; vine vigorous; black seed. One of the best.....                                                                                                                                              |       |
| .....    | <b>BLACK.</b> Regular form; standards deep bronzy maroon, wings deep blue; of good substance and medium size; black seed.....                                                                                                                                                                                                                            |       |
| .....    | <b>BLANCHE FERRY.</b> Semi-expanded form; standards bright rose-pink; wings white in true type and contrasting well with standard, but frequently showing a delicate lacing of pink; of good substance and medium size; dwarf in habit, a free bloomer and about ten days earlier than other varieties. The most popular pink and white. Black seed..... |       |
| .....    | <b>BLUSHING BEAUTY.</b> Large hooded form; a delicate soft pink, self colored; of good substance and large size; black seed. The most popular Eckford yet introduced and worthy of first place among all Sweet Peas.....                                                                                                                                 |       |
| .....    | <b>BOREATTON.</b> Semi-expanded form; color a deep, velvety maroon self; of good substance and rather above average size; black seed.....                                                                                                                                                                                                                |       |
| .....    | <b>BRONZE KING.</b> Regular form; standard a peculiar copper-red; wings ivory white; very poor substance and medium size; vine very vigorous. Black seed.....                                                                                                                                                                                            |       |
| .....    | <b>BUTTERFLY.</b> Hooded form; ground color of standard is white, edged and shaded with blue; standards are notched; of medium size and good substance. Black seed. One of the best.....                                                                                                                                                                 |       |
| .....    | <b>CARDINAL.</b> Regular form; bright crimson-scarlet; sides of standards curve backward, giving flower a narrow appearance; upper part of standard becomes marbled with exposure to the sun; medium size. Black seed.....                                                                                                                               |       |
| .....    | <b>CAPTAIN CLARKE.</b> Regular form; ground color of white; edged, shaded and penciled carmine; wings white edged with blue; flower medium size and poor substance. Black seed.....                                                                                                                                                                      |       |
| .....    | <b>CAPTAIN OF THE BLUES.</b> Hooded form; standard purple-mauve, wings pale blue; good substance and large size. Black seed.....                                                                                                                                                                                                                         |       |
| .....    | <b>COUNTESS OF RADNOR.</b> Hooded form; standards open a pale reddish mauve which fades into a soft lavender; wings pale lavender; of good substance and large size. As the season advances it takes largely the notched form. The seed is small spotted brown. One of the very best Eckford's.....                                                      |       |
| .....    | <b>CARMINE INVINCIBLE.</b> Regular form; color a deep crimson-scarlet; standard becomes dark as flower matures; good substance and medium size. Black seed.....                                                                                                                                                                                          |       |
| .....    | <b>CROWN PRINCESS OF PRUSSIA.</b> Regular form, opens with salmon buff standard which shades into a delicate blush pink; wings delicate pink; of poor substance and small size. Smallish brown seed.....                                                                                                                                                 |       |
| .....    | <b>CARMEN SYLVA.</b> Regular form; standards purplish-carmine shading lighter; wings pale blue with a shading of rose at the throat; of poor substance, small size. Black seed.....                                                                                                                                                                      |       |
| .....    | <b>DELIGHT.</b> Regular in form; standards white, but showing in the bud a crimson crest which diffuses a very faint pink flush; wings pure white; of poor substance and small size. Black seed.....                                                                                                                                                     |       |

| QUANTITY |                                                                                                                                                                                                                                                              | PRICE |
|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
